

MINUTES FROM JUNE 20, 2013
REGULAR MEETING OF THE SCAPA

Lisa Lee hosted the bi-monthly SCAPA meeting at Palmetto Protective Services, Inc. Twenty two members were in attendance. Kathy Smith welcomed everyone, thanked Lisa for hosting and presented a thank-you gift.

The business meeting was held first. Kathy thanked Pat Hinson for doing a great job on the website and newsletter.

Nancy Sousa gave a Treasurer's report and said a check to the Cancer Society has been outstanding for quite some time. Susan Bishop said that a check was written to replace the check and an additional donation had been added. Tracy Rutland made a motion to approve the Treasurers Report, Lynn Williams seconded the motion and all approved.

Everyone was asked if they received a copy of the newsletter and read the minutes. Sandra Smith motioned to approve the minutes and Lynn Williams seconded. All were in favor of the motion.

When asked for ideas for upcoming speakers for meetings, a suggestion was made to have someone speak on garnishments.

A discussion was held about National Payroll Week. Some of the ways to participate are:
